

Santa Barbara Districting Public Comment

Date: March 20, 2015

Sender: Mark Rincon-Ibarra

Subject: Preserve West Downtown

Submitted Comment: "I've highlighted an area that would be best represented by a single city councilmember. The draft plans presented have each divided this area into three districts. I am trying to conserve a neighborhood (West Downtown) that has been highlighted one of the oldest residential neighborhoods in the City, with some of Santa Barbara's architecturally important residential structures. Which district it belongs to is not important, so long as it is preserved as a single area."

Technical notes from NDC: The area in blue is the area referred to by Mr. Rincon-Ibarra. Its borders are:

- The 101 freeway on the south and southwest;
- Carrillo St on the northwest
- On the northeast side: Chapala St, jogging northeast on Ortega St; then down State St to Parker Way, then Ortega St to the freeway

The area in question has 3,023 people.

Comments: (Continued from above) encompass all of the historic Laguna District). Additional residents to District 1 could be added around MCC or just north of East Cota to the traditional Eastside cutoff boundary line. Plan Map 3 is best so all districts touch State Street.
